

Put on the Armour of God

We seem to live in an age of never-ending violent news stories that challenge our Catholic faith. We also encounter political polarization, not moral leadership. Have you ever wondered how our faith should affect current events? Join our Armour of God discussion group. We will examine what influential Catholic writers, academics, theologians, public figures and saints have to say about living out our Catholic faith.

Next monthly gathering: Jan. 30, 7:00pm, St. Patrick Basilica Scavi

Topic: Can Catholic values and Canadian politics mix?

Speaker: Garnett Genuis, MP, Sherwood Park—Fort Saskatchewan, Alberta

- Some might argue that politicians are legislating morality, and that their morality is very secular, liberal and perhaps anti-Catholic. Our new priests?
- Come out to hear how a Catholic MP from Edmonton stick handles his work while remaining faithful.
- Ask what Catholics can do to restore natural law. Is there room for a Catholic viewpoint in legislation?
- Hear about legislation that seems to threaten the Canadian culture that Christianity has built.
